

Use captions in a video meeting

Currently only available in English

You can make it easier to follow what's being said in meetings by turning on captions, which show text of the conversation.

Note: If you record a video meeting, captions are not recorded and don't appear when you play the recording.

Computer

Android

iPhone & iPad

At the bottom of the Meet window, click Turn on captions  or Turn off captions .

You might have to click More  first.

Tip: If the captions are covered by your call controls, click anywhere else inside the Meet window to dismiss them.
