

MINDSOURCE Brain Injury Network is recruiting for its Trust Fund Board and Advisory Council!

Brain Injury Trust Fund Board members

- Are appointed by the Governor
- Use the trust to fund services, research, and education.
- Guide funding priorities for research, client services, and educational opportunities.
- Serve on a subcommittee to further the work of the Board.

Colorado Brain Injury Advisory Council members

- Advise on State Plan development and implementation
- Identify gaps in services and supports for people with brain injury and create solutions.
- Build collaborative relationships with agency partners and brain injury survivors.
- Serve on a subcommittee to further the work of the State Plan on Brain Injuries.

You may be a good fit if you...

- Enjoy research and service in the field of brain injury;
- Want a voice about how to enhance research and client services in the field of brain injury;
- Live in a rural or frontier community; *or*
- Have professional or lived experience in the following fields: aging, stroke, domestic and interpersonal violence, or criminal justice.

You may be a good fit if you...

- Are passionate about advocacy for brain injury related care;
- Want a voice about how to expand and support brain injury services;
- Live in a rural or frontier community; *or*
- Have professional or lived experience in the following fields: aging, stroke, domestic and interpersonal violence, and criminal justice.

Apply by March 29th!

CDHS encourages people of diverse backgrounds and experience to apply.
