

MINDSOURCE Brain Injury Network is recruiting for its Trust Fund Board and Advisory Council!

Brain Injury Trust Fund Board members

- Are appointed by the Governor;
- Guide funding priorities for research, client services, and educational opportunities;
- Assist the board in examining gaps in services.
- Identify needs of the brain injury community; and
- Serve on a subcommittee to further the work of the Board.

You may be a good fit if you...

- Have a family member who has sustained a non-traumatic or traumatic brain injury;
- Have lived or professional experience with brain injury and / or under-resourced families; and
- Live in a rural or frontier community, or the Northern, Western, or Southwest region of the state.

Colorado Brain Injury Advisory Council members

- Advise on [State Plan](#) development and implementation;
- Identify gaps in services and supports for people with brain injury and create solutions;
- Build collaborative relationships with agency partners and brain injury survivors; and
- Serve on a subcommittee to further the work of the State Plan on Brain Injuries.

You may be a good fit if you...

- Have lived experience in the following fields: traumatic or non-traumatic brain injury, self-advocacy, or independent living support;
- Live in a rural or frontier community; and
- Are interested in creating a system of support for those with brain injury.

Apply by March 28th!

CDHS encourages people of diverse backgrounds and experience to apply.

Apply for the [MINDSOURCE Brain Injury Trust Fund Board](#) or the [Colorado Advisory Council on Brain Injuries](#).
